

## *Côr Afanedd*

*Musical Director ~ Arleen Price*

*Côr Afanedd was delighted to accept an invitation to sing here at St Paul's Church once again this evening. We have performed here on two previous occasions and appreciated the warm welcome we received.*

*The choir has developed an outstanding reputation since its creation in 1996. It was initially formed for only one concert, to celebrate the centenary of Glan Afan School, Port Talbot. However, the success of this concert encouraged the choristers to form Côr Afanedd and we have since performed many concerts in venues across South Wales, England, Belgium and France.*

*In October 2000, we were invited to perform Schubert's Mass in G in a commemorative service at the National Basilica, Brussels, televised by the BBC. The following year the choir toured France, performing at Rouen Cathedral and accepted an invitation to perform a concert in the historic Shrewsbury Abbey, made famous by the Cadfael television series. In 2003, we returned to Belgium and, following a service at Ypres Cathedral, we were the guest choir at the evening commemorative service at the Menin Gate. In recent years we have appeared twice on the BBC's 'Songs of Praise' and participated in a BBC radio broadcast in a celebration of Handel's Messiah.*

*We are guided by our highly talented musical team of Arleen Price, Christopher Thomas and Gwenda Phillips. This evening, we welcome our guest soloist, Victor Hopkins, and are grateful to our other soloists, who are all members of the choir. We sincerely hope you will enjoy our concert.*
